

PROPOSED DORMITORY & ACADEMIC FACILITY
FIRST FLOOR PLAN
MAY 1, 2007

Major Marymount Project Traffic Disruptions

- A. Utility undergrounding along property line on 26th Street will involve temporary street closures at Yorktown Blvd/26th Street and Old Dominion/26th Street intersections, lasting 4 to 6 weeks.
- B. Trucks will enter site at existing 26th Street parking lot entrance during the first month or so of construction. After that, trucks enter site on Yorktown Boulevard. All arrivals/departures are to be from Glebe or Old Dominion and 26th Street.
- C. Eight months into the project, Yorktown Blvd. may be closed for construction of the pedestrian overpass.
