

# Little Pimmit Run Watershed Planning Workshop

Arlington County is working with the Center for Watershed Protection, the premier watershed planning organization in the country, to develop a watershed retrofit plan for the Little Pimmit Run watershed.

## Why Attend?

- Learn what goes into developing a watershed retrofit plan and provide input
- Learn what you can do to improve stream ecology and habitat in your neighborhood
- Learn about rain barrels, rain gardens, watershed-friendly yards, and volunteer opportunities

**Wednesday, November 12, 2008**

**6:30 PM – 9:30 PM**

Yorktown High School Cafeteria  
5201 28<sup>th</sup> Street North, Arlington, VA.
