

GREENBRIER PARK

“PROJECT PREVIEW @ THE TENT EVENT!”

Saturday
March 11, 2006
11:30 am - Noon

Greenbrier Park
5201 N. 28th Street

Come see Greenbrier Park! The demolition of existing facilities is complete and the site is primed for new construction. You will be hosted in a tent where photos of the old park will be available to review compared to the current status and a look ahead to the design plan for the new park. Light refreshments will be provided.

Once the renovation is completed, Greenbrier Park will offer residents a new lighted synthetic grass field, a

lighted baseball field, two lighted softball fields, a running track, storm water management, restrooms and support buildings, parking and landscaping. As part of the recently adopted Public Spaces Master Plan, this project demonstrates Arlington's ongoing commitment to recreational activities and vibrant open spaces for community use. The new Greenbrier Park is scheduled to open in Summer 2007!

RAIN OR SHINE!
